Na-Ra

To feel Daring Love  
creates a well of tender feelings,  
a desire to live a life of dreams,  
the emotion of Loving Oneself  
in One's Heart  
and natural creativity  
along with true happiness.

Na-Ra

Gentle and harmonic manifestations  
of Daring Love in One's Heart  
awaken the beauty  
of a breathtaking experience,  
of endearing joy  
and a yearning for Loving Oneself.

Na-Ra

To live and perceive life  
through perceiving  
Daring Love  
creates a unique  
beauty of joy  
and true happiness  
that stems from the Love of Life.
